

EMILY'S HOUSE GARDEN CARE

TULIP PLANT & GARDEN CLEAN-UP

SATURDAY, OCTOBER 23

We would like our EH Gardens to explode with colour for our Clients & Families, Staff and surrounding community in the spring of 2022.

Please consider the following:

1. Donate a bag of tulip bulbs (your choice of bulbs!) from Home Depot, Rona, or your local garden centre. Drop off at EH or PAC, we will plant. **2.** Help us plant the bulbs on Oct. 23 or **3.** Both!

Please register your choice with Mike.

At the same time, we will be cleaning up our gardens and putting them to bed for the winter season. We need help to prune plants, take out the annuals, rake leaves and till the soil. Please register with Mike. Agenda for the day will be sent out the week before.

PIZZA LUNCH PROVIDED

Register with Mike with your choice at:
